MAXIMUM POWER 250 hp / 186 kW	DRY WEIGHT W/ ENGINE 4,100 lb / 1,860 kg	PASSENGER CAPACITY 10 / 1,445 lb	

EXCEEDING EXPECTATIONS

The R227 combines fishing capability with family-oriented dual-console seating. The bow converts from a casting area to wraparound seating, while the cockpit adds an enclosed head, a deep in-floor ski locker, livewell, fish boxes and foldaway transom seating.

- 20-gallon livewell and three large fish boxes
- Enclosed head with lockable door
- Convertible bow seating / casting area
- Lockable rod storage in the ski locker
- Foldaway full-width transom seat
- Raw-water washdown and self-bailing cockpit

COCKPIT + SEATING

- 20-gallon insulated livewell with LED lighting and adjustable flow
- Two 23-gallon deck fish boxes with overboard drains
- 30-gallon fish box beneath the port lounge
- Removable bow cushions and port back-to-back seating
- Foldaway full-width transom seat with protective cover
- In-floor ski or kneeboard storage with lockable three-rod storage
- Four horizontal rod-storage tubes and four gunwale rod holders
- Custom cockpit cooler with overboard drain
- Full-wrap cockpit coaming bolsters
- Ultra Comfort helm seat with flip-up bolster
- Blue LED cockpit courtesy lighting
- Diamond Lustre nonskid surfaces
- Premium stain-resistant cockpit upholstery
- Self-bailing cockpit with integrated drains
- Walk-through transom door
- Stainless-steel grab rails, toe rails and drink holders
- Gas-spring assists on molded hatches
- Storage compartment beneath the starboard dash

HELM + ELECTRICAL

- SeaStar tilt hydraulic steering
- Digital engine gauges and lighted compass
- Molded electronics face with 12V wiring bus
- Weatherproof switches and circuit breakers
- Dual-battery system with crossover switch
- Battery isolator and 12/24V battery charger
- Premium four-speaker Bluetooth stereo with auxiliary input
- LED navigation lights and electric horn
- Stainless-steel steering wheel with control knob
- Tinned-copper wiring with waterproof connectors
- Molded-in helm footrest and 12V receptacle
- Electric horn and fire-extinguisher storage box

HULL + UTILITY

- Premium white gelcoat on the hull and deck
- Hydro Lift multi-angle hull design
- Kevlar-reinforced hull and poured-composite transom coring
- Perma-Panel / Perma-Guard structural system
- Premium Hydrolap blister-resistant resin
- Encapsulated reserve flotation
- Anchor rope-and-chain locker with stainless scuff plate
- Automatic bilge pump and garboard drain
- Raw-water washdown with hose connector
- Fuel/water separator and seawater strainer
- Heavy-duty rubrail with stainless insert
- Stainless-steel through-hulls, latches and transom trim
- Pull-up cleats, including midship spring-line cleats
- Walk-through windshield with stainless supports
- Telescoping boarding ladder with handle
- Transom access to the rigging compartment
- NMMA certified

HEAD + CONVENIENCE

- Enclosed compartment with lockable door
- Porta Potti
- Storage cabinet and interior lighting
- Mildew-resistant acoustical liner

NOTABLE OPTIONS

- Yamaha F200, VF200, F250 or VF250 outboard packages
- Mechanical, hydraulic or digital-electric steering packages
- Bimini top with boot and windscreen
- Bow and cockpit covers
- Simrad GO7 chartplotter / fishfinder
- Trim tabs with indicators
- Bow filler cushion
- Fresh-water shower
- Stainless-steel ski tow
- Solid-hull or wide-band color graphics
- Seven Harbor interior-color choices
- Aluminum tandem-axle trailer and spare-tire kits

The 2022 revision changed fuel capacity, published dry weight and draft; equipment and installed options should still be verified by HIN.
